How to Use the PSPA Library Online

Last year the Historical and Library Committee worked on some reorganization of the online access to the PSPA Library and set-up some clear directions for use. On www.pspaonline's website, click "Resources," then "[Library and Archive](#)." You will see a collection of options. Click "[How to Search the Penn Libraries Online Catalog](#)" and the instructions for use will come up. If you wish to learn more about the collections, on the website, click "Resources," then "Library and Archive," then "[Introduction](#)."
